Greetings to Our Dahlia Friends and Customers . . .

We want to thank you for all the fine orders you gave us last year, as well as those of previous years. We hope you had a glorious dahlia season. We know many of you did, from the large number of nice letters we have received from you.

Again, we take great pleasure in handing you our 25th annual price list for 1963. This year, as usual, we have added some new introductions and discarded some older ones. We are holding our prices down to a minimum low this season. We suggest that you look them over and see what can be obtained for 50c or less.

PLEASE ADD 45c TO EACH ORDER TO HELP PAY POSTAGE. THE ONE COLLECTION IS POST-PAID.
